

PART TIME PRACTICE APPLICATIONS

2022

PART-TIME PRACTICE

Part-Time practice is the request of healthcare professionals to be permitted to work on a part-time basis in a facility other than the primary facility.

All part-time practice applications must be made through the online system **MEHAN**

The following documents are required for part time practice applications:

1. No objection letter from the primary facility
2. Invitation request from the part-time facility through the electronic system (MUNSHAAT)

The healthcare facility where part time practice will take place must have the specialty/profession within the scope of its services as mentioned in its license issued by NHRA.

If the application is approved, the notice to pay will be sent through the online system **MEHAN**.

Once the payment is done, NTP will be issued by MEHAN.

The part time practice permit will be issued in the professional's account in **MEHAN**.

The validity of the part time practice permit will match the specified dates in the application or the expiry date of the applicant's license if no dates are specified.

If the facility does not have the specialty/profession within its scope of service, the application will be rejected.

LICENSE FEES

Service	Fees
Part time License Fees	20
