

LICENSE RE-CATEGORIZATION

2022

LICENSE RE-CATEGORIZATION

Professional licenses may be moved from one category to another, or from one profession to another based on existing qualifications and years of clinical experience.

All re-categorization requests must be submitted through the online system (MEHAN)

The following documents are required for re-categorization applications:

1. Competency letter from the following:
 - a. Doctors:
 - i. Chief of medical staff (if practice is in a hospital)
 - ii. Medical Director (if practice is in a center)
 - b. All other Professionals: Direct Supervisor

The competency letter must state that the concerned applicant has the required competencies for the re-categorization level requested.

2. Copies of additional qualifications obtained
3. Dataflow for additional qualifications

The documents will be revised, and the decision will be communicated to the applicant through the online system.

- If the application is approved a notice to pay will be sent to the applicant through the online system. When the payment is done, the electronic license will be issued in the applicant account.
- If the application is rejected, the reason for the rejection will be detailed in the online system
