

Circular No.: (10) 2026

To: All Medical Device and Medical Supply Manufacturers, Wholesalers and Other Exporters Placing Products on the Bahraini Market.

Subject: Launch of TATABU Medical Devices & Supplies Traceability System

The National Health Regulatory Authority (NHRA) hereby announces the official launch of the TATABU Medical Devices & Supplies Traceability System.

Registration for the system will officially open on 13 May 2026 at 5:00 PM Bahrain time.

The platform can be accessed at: <https://md-tatabu.nhra.bh/>

All stakeholders subject to the NHRA Medical Devices & Supplies Traceability Programme are encouraged to initiate their registration and onboarding activities through the platform.

Participants are reminded to complete their registrations in accordance with the previously communicated regulatory deadlines.

Additional guidance, onboarding materials and technical documentation will be made available through the system following successful registration.

Support

All stakeholders subject to the NHRA Medical Devices & Supplies Traceability Programme are encouraged to initiate their registration and onboarding activities through the platform.
